WELCOME MESSAGE

It is with great pleasure that we welcome you to the International Congress of Gastroenterology Research, Endoscopy and Training Society (GREATs)

This congress brings together distinguished experts, physicians, and researchers in the field of gastroenterology and endoscopy to share knowledge, exchange experiences, and discuss the latest advances in clinical practice and research.

We are honored by your participation and contribution to this scientific gathering, which aims to foster collaboration, inspire innovation, and promote excellence in patient care.

We wish you a productive and enriching experience, and we hope that your time in Alexandria will be both professionally rewarding and personally enjoyable.
